Programme
2022

Our vision is that your children :

Know God
Find Freedom
Discover Purpose
Make a Difference

Your kids are important to us as valued members of Eden Kids. The qualities we seek to live by, ensure the programmes success. Children are required to be respectful to leaders and the facilities at all times. Children unable to comply, will be re-united with their parent.

Our child protection policy is critical to the safety of our kids. We require all workers, volunteers, visitors and care-givers to be vetted prior to any engagement with them.

This Term's Theme:

Our vision and values influence all areas of church life, and this sets the tone for the way we lead kids church. In collaboration with our Pastors, we have designed an interactive programme that runs throughout the year (during school term times).

Our programme has been designed and developed to compliment and align with our mandate to "bring a message of hope to a people of Destiny". Your child is central to our mission.

Our commitment is to support the development of Godly character and the Christ like qualities which will equip your child for todays world.

It is mandatory that parents/ guardians sign their children in and out of Kids Church. Prior to 10:30am and after 11:30 am, please supervise your children.

After service, children are to remain in the care of their parents. The auditorium is out of bounds outside of service times.
Please respect that.
