## What Is Pastoral Care?

**Pastoral Care** is a comprehensive course designed to equip those who identify with the gifts essential in pastoral care. Mercy, grace, helps, and a genuine care for people are essential in developing a heart to serve others. The course follows the Lay Pastors Guide by Frank Damazio, and helps provide a support structure which builds practical and ethical frameworks in which to care and serve our community.

## PASTORAL CARE will equip you to act!

PASTORAL CARE is about being aware of the needs around us (spirit soul and body), and being equipped to help.

Not everyone is gifted this way, so this course is not ideal for everyone. In fact applicants must be assessed and gifted to be enrolled and able to participate.

The curriculum requires:

- Homework
- Practicum
- Study
- Coaching
- Commitment

The semesters follow University terms (4), and completion of each term is a requirement to continue into the next term.

It is anticipated successful candidates will play a significant role in church life.

### **Romans 12:2**

*Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is--his good, pleasing and perfect will.*

PASTORAL CARE will give you a healthy understanding of the privilege and responsibilities of supporting the vulnerable and needy within society.

Those having completed the spiritual gifts seminar, will have identified their gifting in the area of pastoral care, and be looking towards investing their gifting's in a meaningful area of service.

vesting their gifting's in a meaningful area of service.

**Pastoral Care** could be that start.

*"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms".*

**1 Peter 4:10**
