

FOCUS GROUPS

Know God—Find Freedom—
Discover Purpose—Make a Difference.

Building healthy relationships is key to building a strong team. We encourage each person to connect and become part of a focus group in one of four regions in Auckland.

Hebrews 10:25

Let us not neglect meeting together,
as some have made a habit, but let us
encourage one another, and all the
more as you see the Day approaching.

What is a focus group?

A focus group is exactly that. It is a group with a specific objective, and our objective is connecting people that build strong biblical relationships which are growing and maturing in our relationship with Jesus and in the vision of church life. We also have “**growth groups**”, which form part of our personal teaching and development programme.

Focus groups connect and support you!

At Eden we desire to serve those within our community, and in particular, those of the household of faith—that's us as believers.

We do not ignore the needs of those in the community around us, but we take a special interest in those who are closer to home.

Focus groups meet in homes around the city at the same time each Tuesday 7:30.

Is a focus group for me?
Think friendships? Are you interested in making new friends?

How do they work?
Friendship is at the heart of the group. They are not study groups, but low key interest groups.

Why focus groups?
A comfortable home with good friends is our focus.

How do I respond?
Choose a group and then make contact

Ways to support G6

2 Cor 8:14

At the present time, your surplus will meet their need, so that in turn their surplus will meet your need. Then there will be equality.

We all do it tough at some points in our life, and it is during this time that we should help those where we can. G6 is a service in which we support others.
